Future Gadget Series 2Fac Key Protector

Owner's Manual

FGA-01 FGA-01C FGA-1X

Thank you for purchasing the Binary Blueprint Future Gadget Series 2Fac Key Protector. This innovative product is designed to safeguard your YubiKey with convenience and style. Please read this manual carefully before using your new key protector to ensure optimal performance and safety.

This key protector is compatible with YubiKey 5, YubiKey 5 NFC, YubiKey 5C, YubiKey 5C NFC.

What's Included

Your Binary Blueprint Future Gadget Series 2Fac Key Protector package contains:

- One (1) Protector Body
- One (1) Anti-Slip Clip
- One (1) Key Ring

Protector Body (1)

Anti-Slip Clip (1)

Key ring (1)

Assembly Instructions

1. **Insert Your YubiKey:** Place your YubiKey into the protector body, ensuring the key ring hole is properly aligned.
2. **Install the Key Ring:** Attach the key ring through the aligned holes of the protector body and YubiKey.
3. **Attach the Anti-Slip Clip:** Slide the anti-slip clip into the designated groove to secure the YubiKey in place.

Usage Instructions

- **To Use:** Release the anti-slip clip by gently bending it outward and sliding it out. This will free the YubiKey, allowing it to swing out for use.
- **To Stow:** Rotate the YubiKey back into the protector body and reattach the anti-slip clip to secure it.

Important Safety Notice

- Avoid prolonged exposure to direct sunlight, UV light, and temperatures exceeding 50°C (125°F) to prevent damage.
- Do not burn the plastic material; doing so may release harmful chemicals.
- **This product and its packaging are not toys.** Keep them out of reach of children. The small parts, including the key protector body, anti-slip clip, key ring, and any packaging materials, can pose a choking hazard. These components are not intended for use by children under 3 years of age. Always supervise children in environments where small objects are present.
